

## Waterproofing

**Cocoon Coatings** provides a waterproof solution for an array of commercial applications. We implement the latest product technology and techniques in application to resolve our clients problems. Exceeding our clients expectations, as a new project or remedy for an existing issue.

### Project aim:

Previous waterproofing had failed. We prepared and waterproofed balcony surface. All products and workmanship guaranteed.

*"The heat load has been reduced internally by 5-8°C and has been so successful that additional roofing around the facility has also been treated."*

- Terrona Ramsay  
Former CEO/DON of KRHS

*"Cocoon coating improves the thermal performance of the project. The nanoceramic in the membrane genuinely reflects heat more effectively than regular paint."*

- Judith North  
Architect Director of NOWarchitecture
